As-Sabeel Academy
of Greenville

New School Building

As-Sabeel Academy of Greenville, a full-time private school established in 2008, provides children of the Upstate South Carolina region with the opportunity to receive a quality academic education in an Islamic environment. Accredited by the South Carolina Independent School Association (SCISA), As-Sabeel Academy offers an academic program from K4 through 8th grade, which surpasses state and national curriculum standards. Alhumdulillah, As-Sabeel kids have won multiple local and state levels competitions. As-Sabeel graduates are very successful in high school and college. Apart from State required curriculum, all students receive education in Arabic and Islamic Studies. Quran memorization is also part of the curriculum, with some students memorizing about a Juz per year. Alhumdulillah Sabeel graduates are now in high school and colleges and are doing very well academically. They are also giving back to community by doing Halaqas, Jummah Khutbas, leading taraweeh and Tahjud prayers.

Currently As-Sabeel Academy is housed in a 5,000 Sq ft Elementary School building, and a 2500 Sq ft Middle School building, and utilizes 8,000 Sq ft Islamic Society of Greenville Multipurpose Hall for various activities including congregation prayers. Alhumdulillah the school has been growing every year since its inception, with many classes full to the capacity and others are getting there. For the current school year 2022-23, a record 167 kids are registered. For school year 2023-24 over 178 kids are registered, and a dozen are on the waiting lists as school is getting to its capacity. The proposed 5,000 sq. ft. building will allow bigger classrooms, which will help accommodate additional children and school will be able to serve up to 250 kids every year. Inshallah school will last for decades to come serving thousands of students and you will be rewarded for it. Support with your Zakat & Sadaqa donations.
